MESSAGE from Chairman's Desk

Established under The West Bengal Minorities Development & Finance Corporation Act 1995, WBMDFC started functioning since 1996 for socio-economic development of notified minority communities (Muslims, Christians, Sikhs, Buddhists, Parsis and Jains) of the state. To promote inclusive and sustainable development and reduce poverty in all its dimension, the need of the hour is to formulate a comprehensive strategy, policies and programmes for the minorities. To this end it has also adopted a multi pronged strategy with focus on economic empowerment, women empowerment, educational empowerment, skill development . To realise this goal WBMDFC has implemented different schemes/programmes like Term Loan scheme, DLS scheme (For SHG), scholarship scheme, different vocational and job oriented training programmes.

The corporation with a view to disseminate information about its different schemes, organises awareness programme in different minority dominated areas of the state, bring out booklet, handouts etc. The Corporation, with a view to provide marketing facility, encourages its beneficiaries to participate in different melas, being organised in and out of the state where they can sell their products. In short the Corporation is leaving no stones unturned to bring about a comprehensive development of the minorities of the state.

I am pleased to note that in connection with its annual function “PRAGATIR PATHE” being organised by MAME deptt., the Corporation is bringing out a an INFORMATION BOOKLET of its different schemes and programmes. The book also contains other important information about the Corporation and its different personnel who should be approached in case of need. I think this book will provide an effective tool to bridge the gap of information between WBMDFC and the people, particularly the minority communities.

I hope the minority communities will come forward and make use of this BOOKLET for their benefit.

SUCCESS STORY

MOLLA AZHARUL HAQUE, son of Molla Ahmadul Haque, from Kolkata (West Bengal) holds a bachelor's degree in Computer Applications and a Post Graduate Diploma in Rural Management, with a work experience of over 5 years in Social Development sector. His career goal is to be a part of the panel that formulates social policies in India.

For higher education, he chose **M.Sc in Social Policy and Development at London School of Economics (LSE) UK**, a full time residential course of 12 months about the design, analysis, and evaluation of public policies.

Coming from a humble family, his father is a **migrated labourer and mother is a homemaker**. His parents never received secondary education. He is the **first generation learner** in his family, the first to attend college. It was impossible for him to bear the enormous expenses of his higher education.

West Bengal Minorities' Development and Finance Corporation (WBMDFC) has the loan scholarship scheme for such a meritorious student. **The officials of WBMDFC recognized the potential of Molla Azharul Haque by his percentage of marks scored in ISC examination (70%) and Graduation (75%).**

He was granted a loan scholarship of ₹10 Lakhs to confirm his admission at LSE.
